

#1 SYP T&G w/ V

Southern yellow pine T&G w/V is an exceptional product for both floor and ceiling decking. Golden yellow in color, this wood is a great choice for installation as is or applying a color stain to achieve the look of a more expensive wood at the competitive price of pine. Because of its thickness, this product is recommended for spanning 4' or less on floor applications and 6' or less on ceiling applications.
