Dear John,

We wanted to thank you for your participation on the Potomac Club at Lansdowne project. Dietze Construction Group has been recognized by The Associated General Contractors of America for an overall outstanding performance with this particular endeavor. Dietze Construction owes a portion of this recognition to each of the subcontractors that played a role in the completion of this project.

Attached is a plaque that congratulates Dreaming Creek for their participation in the Potomac Club at Lansdowne project. We hope that you will display this plaque proudly along with others you may have received previously.

I look forward to the next time we may work together. My hope is that we may once again receive recognition for a job well done.

Sincerely,  
The Dietze Construction Group

  
David Haddock  
Vice President of Construction
